Description

When writing an account number in the form in the 'Edit Account' section and click the 'Submit' button, an error page of 500 is displayed.

List of steps for reproduction:

1. We are logged in as user ID: mngr484054
2. Go to 'Edit Account' section
3. On the 'Edit Account Form' page, in the "Account No" field, enter the number of the existing account
4. Click the "Submit" button

Actual result:

Server error 500 is displayed

Expected behavior:

A page to edit the angle is displayed
