T17: Edit the PIN of an existing user

Status	Type	Priority	Estimate
Failed	Accessibility	High	None
References	**Automation Type**		
None	None		

Preconditions

The purpose of the test is to change the PIN of an existing user

Steps

1 We are logged in as user ID : mngr484054 and click on the "Edit Customer" section

"Edit Customer Form" page appears with a field to fill in the "Customer ID"

2 In the "Customer ID" field, enter the customer ID number: 82457 and click the "Submit" button

The "Edit Customer" page appears, with the customer data to edit

3 In the "PIN" field, change the PIN to '123456' and click the "Submit" button.

A message appears 'changes have been made in the client's documentation'.
